THEFT DETERRENT AS STANDARD

The CESAR Security System powered by Datatag is the official security initiative of both the Construction Equipment Association (CEA) and the Agricultural Engineers Association (AEA) and comes FREE on all new Suzuki utility ATVs. This Suzuki Datatag kit will give your ATV a unique 'fingerprint' with an identity that cannot be erased, however hard a criminal may try. This acts as a strong theft deterrent and a tool for recovery should the worst happen, as well as reducing your insurance premiums.

FREE RIDER TRAINING

We strongly recommend the free, five-hour certificate course with the European ATV Safety Institute (EASI). Covering pre-ride checks, riding in different conditions, and negotiating obstacles, it'll help keep you, and your ATV, safe and productive long-term. Visit www.quadsafety.org for more details.

PEACE OF MIND TWO-YEAR WARRANTY

All our ATVs come with a full two-year unlimited mileage warranty. As long as you register with us and stick to the service schedule. You'll find all the details in your Owner's Service Book.

TRY BEFORE YOU BUY

We know that you want an ATV that is comfortable, reliable, and as hard working as you are. Giving you the chance to 'try before you buy',* helps you get a feel for the right model and our expert dealers are on hand to help you find the ATV that is most suitable for you, and your business' needs.

COURTESY ATV SCHEME*

Relying on your ATV as you do, you literally can't afford to be without it, even for a day. So when you bring your machine, whatever make or model, in for service or repairs, we'll give you a courtesy Suzuki ATV to keep you and your business moving.

*Participating dealers only.

NATIONAL NETWORK SUPPORT

However remote you are, you'll find a Suzuki ATV dealership within reach. Our network covers the UK, offering friendly, expert advice, servicing and aftersales to help you get the most from your machine.
